

F. B. CATE. REAL ESTATE AGENCY

In looking over our large list of real estate placed with us to be disposed of this coming spring, we find in order to dispose of the same, we must place a very low price on every piece we offer, and we have convinced the several owners that it is best to cut the price to the very lowest, so no matter what you want to buy you will find us a help to you.

If you are thinking of going on to a farm in the spring it is well to be looking for the right one and be ready to commence work as soon as the season is ready. We have a large number on our list and no doubt some one of them is just the one you want. Come in and look over our list of city property. Let us show you a sample of granite from a quarry we have listed with none better on the hill.

Our office is open evenings (except Thursday evenings) and our team is always ready to show you the property. Remember the place,

ABOUT THE STATE.

Items of Interest Gleaned from Our Exchanges.

Gov. C. J. Bell will be Memorial day speaker for Stannard Post, G. A. R., Burlington.

Congressman Foster has rented "The Hemlocks" cottage at Cedar Beach on Lake Champlain for the coming summer.

A petition in voluntary bankruptcy was filed Saturday at the district clerk's office in Burlington by Ezra C. Brooks of St. Johnsbury, a tailor. Liabilities \$1,339.65, assets \$418.80, exempt \$50.

Percy Ennis, skipper of the ice yacht Excelsior, owned by Commodore Craven of Burlington, made a record-breaking trip Thursday afternoon. With a small party, he sailed from Juniper island to Burlington, a distance of three miles, in just three minutes.

J. B. Hutchinson of Randolph, who last year received from the government a stock of 20,000 small trout, which he placed in the brooks in Peth, expects another and larger supply from the same source in the near future and all anglers will have to steer clear of the Peth brooks this year.

A sad accident happened at the Jones & Lamson shop in Springfield a few days ago. When Mr. Groper was putting on a truck on the elevator, he stepped back for more room for the load and going to far went over backwards falling 26 feet to the hard stone pavement below. He struck on his back and it certainly is a miracle that he was not instantly killed. A physician was summoned who, after examination, said no bones were broken and he is quite comfortable.

Dr. H. H. Seeley of Richmond saw a large bird of some kind devouring the body of a hen which it had taken, near the residence of John Harrington one day last week. He endeavored to secure a gun with which to shoot it but not finding one proceeded on his way. Later in company with Jerome Berry, an attempt was made to secure it but the bird becoming alarmed, flew away. Its color was dark and in size was about as large as a good sized male turkey. It is thought by those who saw it to have been an eagle.

A new enterprise has been opened in Burlington. The new concern is the Vermont Art association, which will conduct a business through traveling salesmen throughout the state. The company will deal in oil paintings, steel engravings, etchings, photographs etc., the store on Main street being the headquarters where the different salesmen will obtain the goods. R. L. Rymington is to be the manager of the new business, which is a regularly organized stock company. Mr. Rymington has recently moved to that city from Hinesburgh.

Private Michael Sullivan of Troop I, Fort Ethan Allen, one of the prisoners who made their escape while the command was en route to Manassas, Va. last August, has been captured. At the time the escape was made six men secured their liberty by cutting a hole in the guard house floor, the prison at that time being a temporary one in the quartermaster storehouse. Sullivan was at work in Buffalo, N. Y., when the police of that city learned that he was wanted by the government. He was arrested and turned over to the military authorities at Fort Porter, N. Y. Charges of desertion have been made against him, and the former charges will also be pressed. He will be tried before a court martial.

Collections Fell Off.

The officials of the custom house at Burlington completed Saturday their tabulation of the figures showing the amount of goods imported through the district of Burlington, the duties collected, and the exports for the month of February. The amount of merchandise imported was \$299,516 on which duties were collected amounting to \$43,757.68. This is smaller than last year when the duties collected for February were \$44,160.78. Collections are always light during this month, and especially so this year because of the Canadian snow storms which caused great delays in traffic. The amount of goods exported through the district during February was \$950,532.

A Happy Anniversary.

East Swanton, March 11.—Mr. and Mrs. William Abell of East Swanton celebrated the fiftieth anniversary of their marriage at their home in this place last evening. About fifty relatives and friends were present, and during the evening, which was passed in a pleasant social manner, Mr. and Mrs. Abell were presented with \$25, twenty dollars being in gold. In a few remarks Mr. Abell thanked his friends for the gift. A delicious supper was served to the guests. Among those persons who were present from out of town were Mrs. Charles Laellie of St. Albans Bay, and Mr. and Mrs. Elmer Holcomb of Isle La Motte. Mr. and Mrs. Abell were married at St. Albans Bay March 10, 1855, by the Rev. M. G. Axtell. Mr. Abell is 75 years old, and Mrs. Abell, whose maiden name was Julia Benjamin, is 72 years old. They have had two children, both of whom are living. They are Mrs. Hiram Button and Henry Abell, both of this place.

The Baseball and Degree club, M. W. of A., will hold a grand ball at the opera house hall, East Barre, Friday evening, March 17, 1905. Wilder's orchestra of Montpelier will furnish first class music, and William O'Donnell will be floor manager. NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of its suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; who is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Rickert & Wells, Special Agents.

His Career Cut Short.

Randolph, March 14.—Thomas Blake, aged 20 years, and giving his residence as New York, was arrested here yesterday charged with robbing the stores of Abbott & Cady and H. B. Lease in Bethel Sunday night. He had in his possession property which was identified by the Bethel store keepers.

The Colonel's Waterloo.

Colonel John M. Fuller of Honey Grove, Texas, nearly met his Waterloo, from liver and kidney trouble. In a recent letter he says: "I was nearly dead of these complaints and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth and thank God who gave you the knowledge to make them." Sold and guaranteed to cure dyspepsia, biliousness and kidney disease, by the Red Cross Pharmacy and Parlor Drug Store at 50c per bottle.

Notice.

A. Tumas, having sold his blacksmith business, wishes to notify all who are owing him that they must settle their accounts on or before March 15. After that date all bills will be given to the collector and costs added.
